

Encres DUBUIT reaffirms its renewal

Group and its subsidiaries present a new, simpler and more modern visual identity while still retaining its origins and a new website as well

Encres DUBUIT Group reaffirms its renewal, its dynamism and reinforces its corporate spirit by presenting a new, simpler and more modern visual identity while still retaining its origins. The fundamentals of its brand evolve but Encres DUBUIT remains faithful to its original values: reliability, quality and innovation.

This new identity is part of a strategic evolution necessary to the Group's image. Already in application on the website, the new visual identity is more modern, more functional; www.encresdubuit.com regroups all activities, products and all corporate news of Encres DUBUIT Group.

Encres DUBUIT's expertise is high-technology inks and coatings dedicated to the industrial printing market, ranging from simple visual communication to industrial marking and the use of functional inks. It serves the needs of global printers worldwide in sectors as varied as visual communication, packaging,

cosmetics, automotive, electronics industry.

Encres DUBUIT located in Mitry-Mory near Paris, France, is one of the world leaders in the design of screen printing, pad printing and digital inks. Since its creation in 1970, Encres DUBUIT has remained at the forefront of technology by offering personalized, high quality and innovative solutions, in UV (since 1976) and solvent, for the industrial and graphic sector.

Certified ISO 9001, Encres DUBUIT has three plants located in France (Paris), Spain (Barcelona) and China (Shanghai), three distribution centers (Belgium: Publivenor, USA: Chicago DUBUIT America, Middle East) and two technical support centers in Belgium (Publivenor) and in the United States, Chicago (DUBUIT America).

Encres DUBUIT is also represented by its distributors in more than 50 countries around the world.
