

Quality Policy

Encres DUBUIT is a major player in designing and manufacturing of industrial inks.

Our strategy is focused on development on high value-added markets characterized by high quality standards.

We are committed to take the necessary actions to ensure that our quality approach is commensurate with our activity, the requirements of our customers and the ISO 9001 standard.

Our main objectives are:

- ✓ The involvement and development of staff by:

Updating knowledge and training

Setting qualitative, measurable and achievable goals

The guarantee of a secure workplace

- ✓ The satisfaction of our customers through:

Providing quality products on time

Taking into account their requests and responding to their needs

Support for the implementation of the products

Listening on market trends

- ✓ The continuous improvement of our processes, our practices and our systems by the definition of action plans by sector and the follow-up of the realization

The implementation of this policy through our professionalism and team spirit helps to strengthen our leadership and sustain our company.
